

Appendix B: Invitation to Participants

All Walks of Life: *The First Statewide Conversation on Mental Health and Substance Abuse*

Locations:
Berlin
Concord
Keene
Nashua
Plymouth
Portsmouth

As part of a national dialogue on mental health and substance abuse, five leading New Hampshire behavioral health organizations have joined together to host these conversations:

- *New Futures*
- *The NH Community Behavioral Health Association*
- *National Alliance on Mental Illness, NH*
- *The NH Providers Association*
- *The NH Psychological Association*

Dear Michele,

Whether you are concerned about adequate services, stress on the state's employers and economy, or someone you love, mental health and substance abuse affect every corner of the Granite State. Now, for the first time, stakeholders from community and business leaders to family members and consumers will come together to talk about how to create a healthier state.

Join regional gatherings across New Hampshire on Thursday, November 14, that will get our state talking, change misperceptions, and shape solutions to promote healthier communities.

We hope you can join us and help spread the word. Register [here](#) or call us at 862-0692.
