

A photograph of three women sitting at a conference table in a modern office setting. The woman on the left has short grey hair and is wearing a white shirt and a grey cardigan. The woman in the middle has dark hair pulled back and is wearing a white sleeveless top, smiling at the camera. The woman on the right has long dark hair and is wearing a white shirt and a mustard-colored cardigan. They are all looking towards the camera. There are microphones and papers on the table.

CHOOSE FROM TWO ONLINE MPA OPTIONS

THE EXECUTIVE MPA

The Carsey School offers two MPA programs. The Executive MPA welcomes midcareer professionals with at least 5 years of relevant experience seeking opportunities to hone their leadership skills and advance their careers without having to leave their current situation. Those who meet this criteria can reduce their credit load by 6 credits, or 2 elective courses, earning their degree in just 12 months while saving money on tuition.

SELF-PACED LEARNING

All courses are delivered 100% online during 8-week terms with two cohort starts per year (fall and spring). Plan your study schedule to balance with work and home life.

EXPERTISE & PROFESSIONAL NETWORK

Study with public service professionals and professors who bring strong analysis and best practices to your learning. You'll also grow your professional network of public service professionals throughout the program and after graduation.

BUILD PRACTICAL SKILLSETS

Widely recognized and sought after, the MPA will give you the edge you need in today's competitive public service sector. You'll engage in hands-on opportunities during which you'll apply knowledge and skills developed in the program to real issues within your community.

EXPERIENCE THE UNH ONLINE DIFFERENCE

Our Master of Public Administration (MPA) will provide you with a practical skillset and the theoretical foundation needed to be a successful, publicly minded professional.

The encompassing MPA curriculum includes courses that bring together concepts from public policy, management, politics and law, providing you with a well-rounded understanding of what it means to run an organization in the public or nonprofit sector. Public administration is where we see public policy affecting citizens on a personal level, and where public officials fulfill the promise of democracy.

UNH is a top tier research school, accredited by New England Commission of Higher Education, and your degree will be well respected.

Daniel Bromberg

Associate Professor of Public Administration
Director of Academic Programs
Carsey School of Public Policy

Dan's research interests include public management, organizational accountability, government procurement, performance measurement/management, and organizational behavior. He is the author of the recently released book, *Calibrating Public Accountability: The Fragile Relationship Between Police Departments and Civilians in an Age of Video Surveillance*.

Dan holds a PhD from Rutgers University, an MPA from the University of Vermont, and a BA from the University at Albany. He's also the recipient of the *New Hampshire Union Leader's* 40 Under Forty award.

"We've designed the MPA program to serve working professionals in a variety of different roles, from the recently graduated to the established public servant. Our aim is to help you earn a leading Public Administration credential and gain both practical and theoretical experience, equipping you to advance within your own career and/or organization." —Dan Bromberg
