

Greater Connecticut River Valley Community Conversation Updating the NH Climate Action Plan

THURS, JAN 25
5:30–7 p.m.
CSB Comm. Ctr
152 South St.
Claremont

bit.ly/4aT9k1t

Community engagement is an essential part of updating New Hampshire's climate action plan. We invite you to participate so that your voice is heard!

Join the conversation to name key priorities for reducing air pollution and greenhouse gas emissions in your community or region.

We want to hear about projects that will benefit your community/region, people most in need, and address barriers to implementation.

All ideas are welcome—from workforce development, cost-sharing programs, coalitions to implement solutions, etc.
