

Carsey/City Year University Scholarship

Advance Your Career & Learning Opportunities

at the University of New Hampshire's
Carsey School of Public Policy

“After serving on the founding teams of multiple grassroots nonprofits, I recognized there was a lot I didn’t know about organizational theory and management. Carsey’s MPA program is small enough that I was able to know my professors personally, but large enough that I was constantly meeting new people and learning from their experiences. As a mid-career professional, the MPA program was a game changer.”
